Subject: DC Meeting Targets - For your review

Shari –

Here is the initial list of meeting targets I'm recommending based on conversations with staff and BCAG last week. Most of the meeting topics will be centered around Camp Fire recovery and issues surrounding rebuilding. I made a note on specific meetings where the topic would change.

1. Office of Dianne Feinstein
2. Office of Senator Kamala Harris
3. Congressman Doug LaMalfa
4. Congressman John Garamendi
5. The White House IGO
6. Federal Emergency Management Agency

7. FERC (drop off petitions per Supervisor Connelly
8. USDA (need to check with State Office)
9. U.S. Forest Service
10. House Appropriations Committee re: emergency supplemental
11. Senate Appropriations Committee re: emergency supplemental
12. Staff for Rep. McClintock's office re: BRCP
13. Staff for Rep. Calvert's office re: BRCP
14. House Financial Services Committee re: NFIP reform and agricultural areas
15. Senate Banking Committee re: NFIP reform and agricultural areas
16. House Transportation and Infrastructure Committee re: infrastructure package
17. Senate Environment and Public Works Committee re: infrastructure package

Please let me know your thoughts. We are prepping meeting requests to be submitted as soon as we get the go ahead from you.

Thanks.

~Kristi
